Find your province on the map and draw a line to the countries where Erlin, Reuben, Feung, Kadzo, and Christine live.

In Honduras, Erlin, who is 12, helps his mom make and sell tortillas.

In Nigeria, Reuben helps his mom grow corn and potatoes to sell in the market.

In Laos, Feung lives with his aunt and uncle. One of his favourite things to do is hunt in the forest nearby.

In Kenya, Kadzo wonders when the rain will come so her crops can grow. She knows her children are hungry.

In Haiti, Christine lived through a horrible earthquake. She is thankful for Canadian families who have helped her family rebuild their lives.
