A Posture of Welcome

“Do not forget to show hospitality to strangers, for by doing so some people have shown hospitality to angels without knowing it.” - Hebrews 13: 2

War, conflicts, disasters, violence, persecution, and the desire to find a safe place to settle compel families to leave their homes to find new hope in another land. Families leaving their homes take an immense risk, praying and hoping they will find peace and opportunity.

Since 1979
World Renew
and partnering
churches have
welcomed over
10,500 refugees
to Canada

We are a people who welcome strangers.

Denied basic human rights, there was little hope for Kidane in his own country. For ten years he searched for a new home. Time and time again he was turned away. Then, through God's grace he was sponsored by the Georgetown Christian Reformed Church in Ontario; today, he and his family are cherished members of their community.

How you can help:

1. Become a refugee sponsor

Our team can guide you through the steps to welcome a refugee family to your community.

2. Partner with World Renew

Your financial support and encouragement help facilitate the process, showing God's love at a critical time in a family's life.

3. Advocate for refugee rights

Talk about the struggles refugees face with your friends and family. Pray for families who are seeking a new home.
