HUNGER FOR

GOOD

“BLESSED ARE THOSE WHO HUNGER
AND THIRST FOR RIGHTEOUSNESS,
FOR THEY WILL BE SATISFIED.”

MATTHEW 5:6

WE CAN CHANGE THE STORY OF HUNGER FOR GOOD.

Right now, world hunger is once again on the rise. With the continuation of the conflict in Ukraine, and other economic pressures, food prices rose considerably in 2022. Global food systems still struggled to recover from the COVID-19 pandemic—and drought and erratic weather are affecting crops around the world.

Globally, over 1 billion people aren't sure that they will have enough to eat, and millions more are on the brink of starvation—all because they cannot access enough healthy food to eat.

In a world of plenty, we often ask ourselves why the injustice of hunger exists. But as people of God, we know that justice will prevail—often through the actions

of God's people. To "hunger and thirst for righteousness" means to align our hearts with God and his compassionate love for those who are hungry. It also means we are called to act—by giving generously, sharing our prayers, and advocating for the most vulnerable.

Today, you have the chance to help families around the world change their story of hunger for good. Because of your support, families will learn to plant and grow their own food, gain access to markets, and be taught how to save their resources so they are better prepared for future crises.
