

Great Giving Guide

Mobile Library: Families who live in rural areas usually don't have a school or library nearby. Your gift of a motorbike and trailer brings the joy of reading to many people who may not have other opportunities to practice their skills. Your gift provides students of all ages with a chance to develop a love of learning by giving a bookmobile that brings resources to remote locations!

Children's Books for a Mobile Library: This gift of learning packs a mobile library full of books for children! You are filling a trailer with fun learning materials to help students build good reading habits that will influence their learning journey throughout their lives. Parents, grandparents, and whole families can spend time learning, improve their skills, and develop a love of books for a lifetime.

The Herd: When you give the herd, you give one of each animal in the catalogue: a goat, a pig, a piglet, and a rabbit. These animals help families raise more food, eat nutritiously, and earn more income. Your gift includes learning that goes with a person for the rest of their lives: training in giving vaccinations and animal-raising, and instructions for growing forage crops so that farmers have good chances for success.

The Best Seller Bundle: We put together a few of your favourite things into one big bunch of goodness called the Best Seller Bundle. These are the top 10 most-loved gifts that can bring families who live in poverty opportunities for better health and hygiene, more food and income, and well-being with hope. 1 goat, 1 chicken, goats and quackers, the whole barnyard, a friendship pack, a family-sized water filter, the herd, 1 bicycle, 10 bars of soap, and where needed most.

The Whole Barnyard: You can fill the whole barnyard with this gift that includes 10 goats, 8 pigs, 4 piglets, 25 ducks, 15 rabbits, 50 chickens, 5 roosters, and farmer training in how to raise them. Healthy, happy animals provided by World Renew help families with enough food, better nutrition, a stable income, and hope for tomorrow!

Thank You!
