

Refugee Sponsorship & Resettlement

Providing hospitality and support for

newcomers to Canada: There are an estimated 32.5 million refugees in the world, and Canada is one country of many working to welcome those who have had to say goodbye to their homes for their own safety. World Renew offers accountability and support as a Sponsorship Agreement Holder. Equipping churches and community groups who sponsor refugees with the expertise to be able to navigate the sponsorship processes, the team is there to help groups as they plan support for the first 12 months of a family's life in their new home.

Lighten the burden of application fees:

A significant part of the refugee sponsorship process is the official application. For \$500, you are helping make it possible for World Renew to take care of the complex application process for churches and newcomers.

Hospitality for Newcomers

The World Renew Canada Refugee Sponsorship and Resettlement team love what they do. With just a few people, they help facilitate about 200 sponsorships every year! Hebrews 13:12 says, "Do not forget to show hospitality to strangers, for by so doing some people have shown hospitality to angels without knowing it." For so many churches across Canada, hospitality is something they've shown again and again to refugee families from around the world. It's a rewarding endeavour, too! Each sponsorship is also a friendship, and many of these friendships have endured well beyond the initial 12-month resettlement period in communities from Halifax to Nanaimo.
