

Canadian Foodgrains Bank Sunday

Your gift multiplies up to 4x!

As one of the founding members of Canadian Foodgrains Bank, World Renew multiplies your impact through food security programs like our early response project in Madagascar. Around the world, floods have washed away crops and droughts have left farmlands barren. But together we can end global hunger! Thank you for helping us offer the love of Christ.

Pray with us

Lord of the harvest,
May your mercy be made tangible through the offerings of your church. Show
us how to love our neighbours well, whether they are down the street or on the
other side of the globe. May hunger cease, and may your holy justice reign.
In Jesus' name,
Amen!

Canadian Foodgrains Bank Sunday

Thanks to training provided through World Renew and Canadian Foodgrains Bank, Eliane became a seed producer. Though she had been farming for years, her newfound skills have led to a more abundant harvest in her village. She has gained the power to make a difference for her community!
