PRAY FOR THOSE WHO CAN ENACT CHANGE

Please join us in praying for the people and institutions who can collectively address and amplify the needs of neglected crises...

GOVERNMENTS

- Pray that God grants wisdom, discernment, and compassion to governments leading countries in crisis. Ask that leaders make just decisions, seek peace, and act in the best interest of their people. Pray for unity among leaders, courage to do what is right, and guidance to navigate complex challenges with integrity and humility.
- Pray that governments of nations not in crisis would be moved with compassion and a sense of justice to help those in need. Ask God to stir generosity, wisdom, and bold action in offering support, aid, and advocacy. Pray that their influence is used to bring peace, relief, and lasting change in struggling regions.

THE MEDIA

- Pray for the global media to act with integrity, truth, and compassion in their reporting. Ask God to guide journalists and media outlets to highlight stories that bring awareness, inspire action, and give a voice to the voiceless. Pray that their influence is used to promote justice, peace, and understanding across nations.

THE CHURCH

- Pray that churches around the world would rise with compassion to respond to neglected crises. Ask God to stir hearts with empathy, move congregations to action, and empower them to be a light in dark places. Pray for unity, generosity, and boldness as the global Church stands with the suffering, offering hope, support, and the love of Christ to those who feel forgotten.

DONORS

- Pray for donors who give generously to relief efforts, that God renews their strength and passion. Ask Him to protect them from donor fatigue, filling their hearts with encouragement, hope, and perseverance. May they be encouraged by the impact of their giving and continue to trust God's faithfulness in every gift.

Thank you for praying with us

Sovereign God,

Our hearts are heavy as we witness the suffering in our world. Lord, hear our lament and our prayer for mercy.

Together, we ask that you bring justice, and global attention to people suffering in places of neglected, protracted crises. Strengthen the weary, give courage to leaders, and stir our world to act with compassion and urgency.

We lift up displaced people across our earth. Shelter them, God. Surround them with peace and provide for their needs. Heal their wounds and lead them into communities that reflect your love and grace.

We ask for peace to reign in places torn by conflict. Protect innocent people and bring justice, forgiveness and reconciliation. Guide leaders with wisdom from heaven, and soften the hearts of hurting, angry people.

For families facing hunger, famine, malnutrition, please provide—food, clean water and an end to the cycle of poverty. Move your people across your world to act with boldness and compassion.

We pray for every government around the world—those in crisis, and those with power to help. We pray for bold, just action; good decisions, and an end to corrupt practice and systems.

We pray for Media professionals around the world. We ask that you'd raise up people of integrity, positive influence and courage. And, that stories would be told that bring awareness and inspire action—bringing attention to the crises that need it most.

God, would you empower and embolden your global church. We pray for unity and generosity. May we not be silent, but may we speak out, and act. May your Spirit be at work in us to shine your light into dark places.

And for those generous donors, who give and give—renew their strength. Guard their hearts from fatigue and fill them with joy knowing their giving reflects the living hope that is the person of Jesus.

Together we pray, Lord have mercy.
Amen.
