

Jenninah Kabiswa

Senior Country Director - Kenya

Jenninah Kabiswa is an organizational development expert and development practitioner with over 15 years of experience across Africa. Beginning as a high school teacher, she transitioned into the nonprofit sector, focusing on supporting bedridden individuals in vulnerable conditions, including those affected by HIV/AIDS in rural Uganda.

Her career spans roles in community development, communications, grant management, and child sponsorship programming, with a specialization in strengthening grassroots organizations through systems, structures, and policies that promote accountability and sustainability. Jenninah has held national and international leadership roles with reputable organizations across Africa.

Skilled in strategy development, performance management, and resource mobilization, she conducts organizational capacity assessments and develops targeted capacity-building plans. She also leads mentorship initiatives and contributes to public health advocacy efforts with African governments. Jenninah is married to Jonny and they have three children. She currently serves as Senior Country Director for World Renew in Kenya.
