

Rosezana Run

Communications Assistant for Cambodia

Rosezana Run is a dedicated professional working as a Communication Assistant at World Renew's Cambodia office. She graduated with a Bachelor's degree in International Relations and has since focused her career on empowering communities and amplifying World Renew's impact in Cambodia. With previous experience in Child Sponsorship, Rosezana now develops engaging visual designs that help donors and visitors better understand the organization's programs. Her creative work is pivotal in crafting compelling stories that convey the life-changing work of World Renew.

In addition to her communications role, Rosezana actively contributes to the "Prevention of Human Trafficking Program," where she trains young people to produce educational videos that raise awareness and foster community action. She also hosts Discovery Tours and provides on-the-ground assistance to teams and visitors, ensuring a seamless and informative experience. Rosezana's dedication and passion for global development make her an inspiring speaker and advocate for World Renew's mission.
